PUDDLE 2025 Charitable Donations

SUSTAIN DUPAGE

As doll lovers, we are fortunate to be able to participate in our hobby by buying new dolls and accessories. It's important for us as a community to share our good fortune with others. Each year since the first Pullip and Dal Doll Lovers Event, we've made a donation to one or more worthy causes.

This year, donations will be made to Sustain DuPage and the Maui Forest Bird Recovery Project.

Sustain DuPage: "Sustainability means social justice for all, a relocalized economy, and a healthy ecosystem."

Maui Forest Bird Recovery Project: "Saving Hawai'i's native forest birds is about more than just conservation—it's about ensuring our children and future generations grow up in a world where Hawai'i's forests are still alive with birdsong."
